

## EU – Overensstemmelseserklæring *EU Declaration of Conformity (DoC)*

Tempress A/S erklærer hermed, at sikkerheds trykstop switch **SwipGuard P1350, P1360** med følgende tekniske data/ Tempress A/S hereby declares that / *emergency Stop Pressure Switch **SwipGuard P1350/P1360** with the following technical data:*

| Model                                                                                                                    | Ver. I                                                            | Ver. II         |
|--------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------|-----------------|
| Maksimal tilladeligt arbejdstryk/maksimalt prøvetryk / <i>Maximum allowable working pressure / maximum test pressure</i> | 10 bar / 15 bar                                                   | 35 bar / 53 bar |
| Volumen af trykbærende element overstiger ikke/ <i>The volume of the pressure exposed element does not exceed:</i>       | 0,001 liter                                                       |                 |
| Maks./min. Tilladelig temperaturpåvirkning standard/ <i>Maximum / minimum allowable temperature exposure, standard.</i>  | 0°C/+70°C                                                         |                 |
| Fluida gruppe/ <i>Fluida group</i>                                                                                       | 1                                                                 |                 |
| Design Kode/ <i>Design code</i>                                                                                          | DS/EN ISO 4126-5:2013<br>DS/EN ISO 13849-1:2015                   |                 |
| EC Typeafprøvning efter PED modul B/ <i>EC type-examination according to PED module B</i>                                | DTI Notified Body 0396,<br>TI-15-PED-1112 rev. 0<br>af 27-10-2015 |                 |

er fremstillet i overensstemmelse med og efterlevelse af / *Is manufactured in accordance and compliance with*

-Directive 2014/68/EU of 15 May 2014 laws of the Member States relating to the making available on the market of pressure equipment.

-BEK nr. 190 af 19/02/2015 om indretning m.v. af trykbærende udstyr/ Danish Order no. 190 of 19/02/2015.

-Directive 2014/30/EU (EMC) electromagnetic compatibility.

Med denne erklæring bekræftes ligeledes, at produktet er produceret, testet og inspiceret under kontrollerede forhold etableret jf. virksomhedens kvalitetssystem. / *With this statement also confirmed that the product is manufactured, tested and inspected under controlled conditions established in accordance with the company's Quality Management System.*
