

Overensstemmelseserklæring

*Declaration of Conformity (DoC)
for products referring to Appendix page 2*

Tempress A/S erklærer hermed, at de produkter, der fremgår af side 2 er tilvejebragt og produceret i overensstemmelse med følgende aktive forordninger og bekendtgørelser:

1. Forordning EF 1935/2004 om materialer og genstande bestemt til kontakt med fødevarer
2. Forordning EF 2023/2006 om god fremstillingspraksis (GMP)
3. BEK nr. 681 af 25-05-2020 om fødevarekontaktmaterialer
4. BEK nr. 498 af 23-03-2021 om autorisation og registrering af fødevarevirksomheder

Tempress A/S hereby declares that the products shown on page 2 are provided and produced in accordance with the following active regulations and executive orders:

1. *Regulation EC 1935/2004 on materials and articles intended for food contact*
2. *Regulation EC 2023/2006 on good manufacturing practice (GMP)*
3. *DK Order 681 af 25-05-2020 on food contact materials*
4. *DK Order 498 af 23-03-2021 on the approval and registration of food companies*

Gyldige certifikater/ Valid Certificates

	Registreret ved Fødevarestyrelsen under Branche: 20.00.00 B FKM: Fremstilling af andre fødevarekontaktmaterialer af f.eks. glas, porcelæn, gummi, pap, metal m.v., Tempress A/S har været registreret ved fødevarestyrelsen siden 2010. <i>Registered by the Danish Ministry of Environment and Food in the Industry category: 20:00:00 B FKM: "Manufacture of other food contact materials, for example glass, porcelain, rubber, cardboard, metal, etc."</i> <i>Tempress A/S has been registered by the Danish Ministry of Environment and Food since 2010.</i>
	Certificeret og monitoreret af ExVeritas i henhold til DS/EN ISO 9001:2015 and DS/EN ISO/IEC 80079-34:2020 Tempress A/S har været certificeret siden 1995. <i>Certified and monitored by ExVeritas in accordance to DS/EN ISO 9001:2015 and DS/EN ISO/IEC 80079-34:2020.</i> <i>Tempress A/S has been certified since 1995.</i>
	3A certificeret med 3A Sanitary Standard nr. 74-06 "Sensors and Sensor Fittings and Connections". Tempress A/S har været 3-A certificeret siden 1991. <i>3A certified with 3A Sanitary Standard no. 74-06 "Sensors and Sensor Fittings and Connections".</i> <i>Tempress A/S has been 3-A certified since 1991.</i>

Med denne erklæring, bekræfter Tempress A/S således, at produkter jf. side 2 består af materialer og genstande bestemt til kontakt med fødevarer under den tilsigtede anvendelse – specielt med hensyn til kravene i EF forordning 1935/2004 Artikel 3.

Overensstemmelseserklæringen er at finde på virksomhedens webside www.tempress.dk.

With this DoC Tempress A/S declares that products on page 2 consists of materials and articles intended for contact with food when used as intended – particularly with regard to the requirements of the Regulation EC 1935/2004 Article 3.

The DoC is available at Tempress A/S website www.tempress.dk.

Som supplement er mærkatet påført produkternes pakklabel.

As a supplement, the sign is added to the product package label.

CEO

**Bilag/appendix: Medieberørte produkter omfattet af overensstemmelseserklæringen/
 Wetted products covered by the Declaration of Conformity:**

	Description	Comment
A10	Pressure gauge (single)	Only gauge with system and house in AISI316
A11	Double Pressure gauge (double)	Only gauge with system and house in AISI316
A12	Pressure gauge, direct mounting	Only gauge with system and house in AISI316
A14	Pressure gauge with signal transmitter	Only gauge with system and house in AISI316
A18	Differential pressure gauge (with center scale)	Only gauge with system and house in AISI316
A23	Precision pressure gauge Cl. 0.5	Only gauge with system and house in AISI316
A24	Precision pressure gauge EN837	Only gauge with system and house in AISI316
A32	Pressure gauge with pressure intermediary	(*)
A33	Pressure gauge with pressure intermediary, direct mounting	(*)
A34	Pressure gauge with pressure intermediary (homogenizer)	(*)
A35	Pressure gauge with pressure intermediary, direct installation (homogenizer)	(*)
A37	Pressure gauge with pressure intermediary and Indicators	(*)
A38	Pressure gauge with pressure intermediary and Indicator (homogenizer)	(*)
A40	Double pressure gauge with pressure intermediary	(*)
A42	Differential pressure gauge with pressure intermediary	(*)
A45	Pressure gauge with TR7604, Low cost. (DN 63 with cooling fins)	(*)
A46	Pressure gauge with ¾" APC CLAMP. 9120-028-4. DN63	(*)
A47	Pressure gauge with requirements studs, DN38. Autoclavable.	(*)
A48	Pressure gauge with transmitter and pressure intermediary. (no. design no.)	(*)
A73	Remote the thermometer. (max. temperature <550 C.)	(*)
A74	Remote the thermometer. (max. temperature ≥ 550 C.)	(*)
A78	Thermometer. (max. temperature <550 C.)	(*)
A79	Thermometer. (max. temperature ≥ 550 C.)	(*)
A81	Thermometer. Logo: 3-A (electro-polished)	(*)
A88	Thermometer, mechatronic, with plug M12x1 on housing (max. Temperature <550 C.)	(*)
P1215	Pressure transmitter with pressure intermediary	(*)
P1216	Pressure Transmitter	(*)
P1230	Pressure transmitter with pressure intermediary	(*)
P1232	Pressure transmitter with pressure intermediary	(*)
P1235	Pressure transmitter with pressure intermediary	(*)
P1246	Pressure transmitter with pressure intermediary (3/4" APC clamp)	(*)
P1350	SwipGuard (Single)	(*)
P1360	SwipGuard (pair)	(*)
P2208	Temperature Transmitter	(*)
P2209	Temperature Transmitter	(*)
TE52	Rotacheck Sensor	(*)

(*) Alle Membran holdere og membraner er i stål AISI 316L/ all Diaphragm Body and Diaphragm are in steel AISI 316L.

Bemærk venligst: Tilbehør som fittings i AISI 316L og sanitære lommer type FLS og FLC er omfattet af denne overensstemmelseserklæring/ Please note: Accessories as nipples in AISI 316L and sanitary pockets type FLS and FLC are covered by this Declaration of Conformity.
